## County Has Plans for Extensive Future Development Here

### Community Center Site to Expand

Willis H. Miller, director of the San Diego County Planning Commission, presented a detailed proposal for the development of the Community Center area at the Chamber of Commerce directors meeting Tuesday evening.

Miller, as leader of the Planning Commission representatives, prefaced his remarks with the statement that "probably no two kinds of organizations have more similar objectives than Chambers of Commerce and community planning groups, both being interested primarily in community development." He stated that he hoped to have the opportunity of working with representatives of the Chamber and other civic groups in Lemon Grove to formulate a master plan of development. Such a plan would be based on the assumption that the Lemon Grove area will grow to a population of 40,000.

The Chamber directors were told by Mr. Miller that conferences with School District officials, the Department of Public Works and the County Planning Commission have resulted in a tentative plan to utilize the present community center building as a nucleus for developing an attractive and centrally-located civic center, including a park and recreational area. Within the next year, he said, the School District proposes to construct a service building inasmuch as they have approximately \$11,000 dollars available for site purchase. He continued on page 8.

### Lemon Grove Falls to Second Place

Mr. Helix led the unincorporated area of San Diego County in number and value of building permits in September, with Lemon Grove a close second.

Charlie Salveria, chief of the County Building Inspection Division, reported, however, that building fell off over the entire county during the month. Permits for 29 new homes were issued for the Lemon Grove area, and 39 for Mr. Helix.

### Unique Hat Shop Here Soon

Mrs. Graton R. Roberts, 2631 Dayton, has leased the west rooms of the Hussey Law Building, 7896 Broadway, and will open the Elizabeth Frances Millinery Store in a short time. Mrs. Roberts will feature hats made to order, also ready made hats, purses, gloves and costume jewelry. Further announcements will appear in the Review.

### Retail Plumbing Store Open Daily

Donnelly Plumbing store, 7223 Broadway, is now keeping open every day from 8 a. m. to 5 p. m. Lemon Grove home owners will be pleased to learn that a modern retail plumbing store will soon be at their service. Watch for particulars in the review next week.

### DATES CLAIMED

October 7—Turkey dinner, V. F. W. Hall, 2 to 7 p. m.  
October 14—St. John of the Cross Annual Turkey Dinner, 16—Desert card party and food sale, 12:30 p. m. Forward Club.  
October 20—Hawaiian Dinner for choir benefit, Vista La Mesa Christian Church; 6 to 8 p. m.  
November 4—Turkey dinner, V. F. W. Hall, 2 to 7 p. m.  
November 16, 17—Bazaar-Carnival, Forward Club and Forward Club Juniors.  
December 2—Turkey dinner, V. F. W. Hall, 2 to 7 p. m.

### New Church Soon to Hold First Service

Organization of the new Presbyterian Church in Lemon Grove - La Mesa - Spring Valley area is progressing nicely with 75 families pledged for membership and an equal number interested. The Rev. and Mrs. John Chandler, 3232 Par drive, are most gratified with the reception given them and the interest shown in the project.

That all who are interested in the new church may become acquainted with the plan, a picnic dinner is being held in Eucalyptus Park, on Bancroft drive on Saturday at 5 p. m. Each family will bring a basket dinner and table service and coffee and punch will be served.

The first Sunday School and worship service will be held at 10:30 a. m. on Sunday, October 14, in Spring Valley Community Center, Memory Lane and Bancroft Drive.

Anyone wishing further information may call Mrs. Don Irvin, H 6-6058.

Equipment will be needed for all departments of the Sunday School and donations of used or new articles will be greatly appreciated. Call Eddie Jensen, H 6-5820, for information.

### Turkey Dinner at St. John October 14

St. John of the Cross parish will hold its annual turkey dinner on Sunday, October 14, from 12 noon to 6 p. m., for the benefit of the school. The affair will be held in the new church basement auditorium. St. John of the Cross School, and the adjoining Sisters' convent, were built 3 years ago. It now has seven classrooms, with six Sisters teaching. Attendance numbers approximately 400.

The proceeds from this dinner will go toward the support of the school, such as purchase of desks, books and supplies, and payments on the building costs and taxes. The taxes alone, last year, totaled \$1,500. Chairman of this year's dinner is Mrs. John Herman, co-chairman, Mrs. Herbert Ryan.

### Loses Relatives in Two Accidents

Mrs. B. J. Leonasio, 7936 Broadway, received word Wednesday of the death of her grandparents, Mr. and Mrs. Miles Irish of Hemet in an automobile accident at Lubbock, Texas.

As they were meeting a car, one of the cars had a tire blow-out, causing the collision. The couple in the other car were also killed.

Memorial services will be held in Hemet.

### Laundromat to Open Here Soon

Lemon Grove's newest business is the Laundromat, to be opened at 7857 Broadway, in the new Griffen building, between the new hardware store and the Medical building.

Dalton D. Johnson is the owner of the Laundromat, and he has been in business in the San Diego area for more than 16 years. He selected Lemon Grove for the location of this business because he noted that it is the fastest growing community in the county.

The Laundromat will be the most modern of any established in San Diego County, being equipped with the best Westinghouse appliances, with an over supply of hot water. He is installing three hot water heaters hooked together, where two are generally used.

### Holiday Lights to Shine Here

Lemon Grove will be decorated in the Christmas Spirit this year as never before, if the plans of the Chamber of Commerce Christmas Tree Committee come to full maturity.

Representatives of six organizations met Monday evening to discuss plans for decorating the business district during the holiday season.

Mrs. E. A. McGuire was re-elected chairman. Mrs. James Dougherty consented to act as secretary-treasurer until a permanent selection could be made.

Each organization will be asked for \$25 and contributions will be accepted from individuals. Several suggestions were made for decorating the streets, and it was suggested that each place of business install extra outdoor lighting.

Further meetings to push the project will be held soon.

### Local Artist in Sunset Gallery

During the month of October Ken Rister will exhibit oil paintings along with Fred Heilbron and Joe Gafford in the Sunset Gallery, 2030 Sunset Blvd., San Diego.

Mr. Rister studied art at Otis Art Institute in Los Angeles and Santa Barbara School of Arts. His paintings consist of landscapes, marine and portraits and has exhibited throughout Southern California and Western Texas.

Mr. Rister has been secretary to the Business Men's Art Group of San Diego for the last two years.

Mr. Rister operates the Lemon Grove Agency for Farmers Insurance Group in the Catted offices at Imperial and Broadway.

### Dreybus Has New Cleaning Service

John F. Dreybus has opened the Lemon Grove Cleaners, a new dry cleaning service, at 8127 Broadway. He also has a laundry agency for the convenience of his customers.

Mr. Dreybus guarantees the work done and in an ad on page 8 invites the patronage of the people of this area.

### V. F. W. NEWS

Members are reminded to bring clothing for Korea to the business meeting Tuesday evening. Dues are now payable. Bring new members with you and help the Commander reach the goal of 300 for the year.

### MOVES OFFICE

George E. Neimast, real estate broker, has moved his office to his residence, 7513 Pacific avenue.

### Truck Farmers Moving Here to Escape Smog

"A tremendous movement of truck farming from the Los Angeles 'smog' area to northern San Diego County has been one of the factors which has increased the water problem in Fallbrook.

This was the view expressed by George F. Yackoy, general manager and chief engineer of the Fallbrook Public Utility District, who was a panel speaker at the year's first meeting of the San Diego County Development Federation, held in Balboa Park on Tuesday evening of last week, with the San Diego Chamber of Commerce as host.

M. J. Shelton, general manager and chief engineer of the La Mesa-Lemon Grove-Spring Valley Irrigation District, said that this area is growing "two or three times as fast as the rest of the County, and our water problem has increased accordingly.

"Actually we are faced with two problems: One is the need for more water; the other is the problem of distribution. The former is being studied from all angles, including the possibility of tapping an underground source in El Cajon Valley. Distribution is even more serious because of the growth of our district," Shelton said.

### Books Not Bullets, More Effective Against Communism, Says Nixon

Senator Richard M. Nixon has sent the Review a copy of a letter he has mailed to Charles E. Wilson with the following comment:

"In view of the interest expressed to me by the people of Lemon Grove on the school construction problem, I thought you might be interested in having a copy of a letter I am sending to Mr. Charles E. Wilson, the Defense Mobilizer, pertaining to this subject."

Sen. Nixon points out to Mr. Wilson that books are more effective against communism than bullets. Mr. Nixon's letter follows:

"I am becoming extremely concerned over the long delay threatening the nation's school construction program. Reports have been emanating from the U. S. Office of Education that a complete breakdown is in the sight unless additional materials of a critical nature are allocated to the school districts throughout the country. There is ample substantiation for these reports coming from education officials and concerned citizens.

"I believe we must take great care that, in curtailing non-essential construction, we do not place the government in the position of classifying education as non-essential.

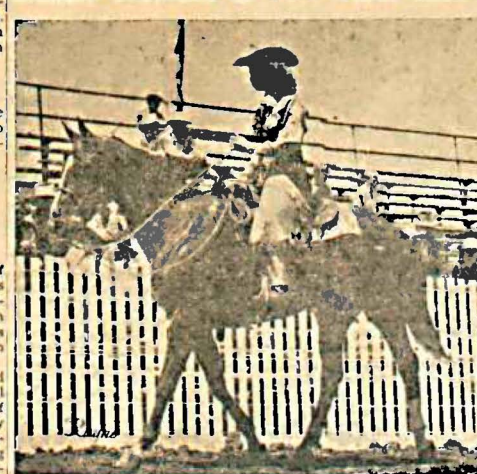

"In my experience in Congress, I have come into personal contact with many aspects of the communist movement in this country and no one has become more convinced of the serious threat the conspiracy of that movement presents to this nation's welfare. Accordingly, I have been a strong supporter of the defense mobilization program. However, I cannot but feel, and I have emphasized this strongly in the past, that in the final analysis, education is the long-range answer to the col-

Continued on page 4

### BAZAAR DATE SET

Friday, October 19, has been set as the date for the annual Church Bazaar at United Presbyterian, 4436 Harrison. It will be an all-day affair, opening at 10. A cafeteria luncheon will be served at noon, and a complete turkey dinner is planned for the evening dinner. Watch this paper for more detailed announcements.

### Bobbie Dorman in New York Show

Bobbie Dorman, daughter of Mrs. Roberta Dorman and Vroman J. Dorman, left last week for New York City where she will represent Southern California as a Rodeo Queen at the 26th Annual World Championship Rodeo in Madison Square Garden, which opened September 26 for 42 performances.

Although Bobbie is only 18 her ability as a rider has won her more than 200 blue ribbons and trophies in the last four years. She was queen of the rodeo at the County Fair last year and at the Long Beach Mounted Police Rodeo in June. Bobbie competed with more than 100 contestants of the west and northwest in winning this honor. Following the New York appearances, she will perform with the other four queens, at Boston Gardens and other eastern sports arenas, making it a two-month tour.

### Lutherans to Receive Large Group Sunday

An impressive service will be used at morning worship in Lutheran Church Sunday when 24 adults and their families will be received into membership in the congregation.

Instruction was given in a class conducted by the pastor, W. Le Roy Elster, for several weeks.

A feature of the service will be presentation of a book of

REV. LE ROY ELSTER

### Better Medical Service for Vets

William E. Berry, manager Veterans Administration Regional Office has announced that medical services provided eligible veterans at the VA Outpatient Clinic, 325 B Street, San Diego, will be on an appointment basis effective October 15. Emergency cases will not be affected by the new procedure but will continue to receive immediate attention.

The establishment of the appointment system is intended to benefit veterans by reducing the waiting period to a minimum through more effective control of the medical outpatient clinic load.

### YOUNG REPUBLICAN RALLY

San Diego Young Republicans will hold a rally and box supper at Balboa Park Club on Wednesday, October 17, at 7:30 p. m. For further information call Paul Engstrand, H 6-9591.

### TURKEY DINNER

Lemon Grove Post 2082, VFW, will serve one of Henderson's famous turkey dinners on Sunday from 2 to 5 p. m. The public is invited.

### Seek Priorities for Local School Work

Reacting swiftly to the slowdown in school construction caused by National Production Authority action in withholding allocation of critical materials to schools, the San Diego County Administrators Association, led by President Elmer Walker, Harold G. Hughes and John McDonald, formulated a statement of the plight of county schools for presentation to Senators Knowland and Nixon and Congressman McKinnon.

Civic groups and individuals interested in provision of a full-time education for the children and youth of San Diego County should write also, urging immediate action for a full speed ahead on school construction.

The statement of the San Diego County Administrators emphasized that heavy school enrollments have been created by activities of the federal government; that school facilities have been overwhelmed; that this county is one of three counties in America with critical housing problems; that the majority of schools are on a half-day session; that funds are available to build the schools from local and state sources; that districts are delayed in letting contracts and that costs are higher because of uncertainty regarding allocations of materials; that Public Laws 815 and 874 recognize the responsibility of federal government for the shortage of school housing in San Diego County; and that therefore school priorities should be allocated right after the actual defense needs have been met and before other civilian allocations are granted.

REV. LE ROY ELSTER

Daily Family Devotions to each family in the congregation to encourage family worship consisting of Scripture reading, excerpts from the devotional book and prayer, at a stated time each day.

Pastor Elster says he is convinced that any family which will honestly and consistently enter into such a program will find real blessings and happiness resulting. He is also convinced that a return to Family Devotions will go a long way toward solutions of human problems, for the root of man's problems are more spiritual than political or otherwise.

A family fellowship hour with a potluck dinner will begin at 6:00 p. m. The Fellowship Hour is in honor of the new members and for closer acquaintances with one another. There will be music, colored pictures of the church's ground breaking service and dedication service, along with eats and fun.

### Ray Benedict Accident Victim

Ray Benedict, 7564 Church, who was injured in an auto accident near Muleshoe, Tex., on September 16, passed away on September 21, in a hospital in Muleshoe.

Edward Cavallin, 7551 Church, learned of his passing in the office on North Island, where both were employed. No word has been received of Mrs. Benedict's condition since last week.

### Jim Carlson Heads 4-H Club

Jim Carlson was elected president of Lemon Grove 4-H Club at a meeting at the J. A. Pickens home Tuesday evening.

Tom Halvorsen is vice president; Arlene Kenworthy, secretary; Martha Anderson, treasurer; Joe Bickelhoff, historian; Janet Moore, reporter.

Arlene Kenworthy gave an interesting talk on her trip to Davis Agricultural College and to the State Fair where the group, dressed in 4-H uniforms, demonstrated 4-H work.

The sewing class will meet next Thursday and there will be classes in electricity and agriculture.

### BEGONIA SOCIETY MEETS

Jos. O. Davis, authority on the raising of African violets, will be the speaker for the La Mesa Begonia Society on Monday at 7:30 p. m. in Porter Park clubhouse. Refreshments will be served. Interested people are welcome.

### GROSSMONT HOSPITAL Assn.

On behalf of the Grossmont Hospital Association I want to thank everyone who put forth time and effort to secure signatures on the Petition for the formation of a Hospital District. Cordially, Burton I. Jones, president.

### WELCOME to New Readers

E. W. Moore.  
F. T. Wakefield.  
C. Carlson.  
Mrs. B. E. Lester.  
J. A. (Del) Fernald.  
Irvin Cox.  
Arthur Johnson.

### IN FAR EAST

Ralph A. Drollinger, son of Mr. and Mrs. R. A. Drollinger, 2024 Englewood dr., is serving as a radioman with Tactical Squadron 5 aboard the Amphibious Force flagship U. S. S. Estes in the far east.

### GOAT OWNERS MEET

The Southern California Milk Goat Association will meet at a potluck luncheon on Sunday at Felicita Park, Escondido at 12 noon. An interesting program is planned. Visitors are welcome.

### WELL BABY CLINIC

A Well-Baby clinic will be held next Monday at Friendship Hall from 12:30 to 3 p. m.

### CLUB MEETINGS

Lemon Grove Chamber of Commerce, first Tuesday evening  
Homeland Justice Court.  
Lemon Grove Kiwanis Club every Wednesday noon, Community Center.  
Lemon Grove Lions Club every Thursday evening, VFW Hall.  
Mt. Helix High-Twelve Club International, every Thursday noon, Comanche Bowl.  
Business Women's League, first and third Thursday noon. Place announced.  
Lemon Grove Masonic Club third Friday evening, Leewood Trailer Court.  
Lemon Grove Post 2082, V.F.W., second and fourth Tuesdays, V.F.W. Hall, Imperial at Lincoln.  
San Miguel Chapter, O.E.S., second and fourth Wednesday evenings, Friendship Hall.

# SCANNING THE WEEK'S NEWS of Main Street and the World

## Beef Price Increases Announced; Marshall Retires to Private Life

**BEF PRICES**—Harassed small town housewives, who have been fighting a losing battle with the food budget since the beginning of the Korean war, heard the news of a wholesale beef price increase with dismay. OPS authorized the increase of 1 1/2 to 2 cents a pound at the wholesale level. It will mean the home town housewife will pay more for chucks and rounds.

In addition, OPS announced retail price increases on hams, shoulders, and bacon by 1 to 2 cents. Ceiling on pork chops and roasts were recently subject to an adjustment.

Junior Hog Champ

A 13-year-old city reared lad won nearly \$600 and carried off top honors in competition with 55 farm youngsters in the 12th annual Chicago Junior Hog Show. Here he is, Carl Silva, Jr., of Dundee, Ill., who never lived on a farm until 3 months ago.

Gen. James A. Van Fleet, eighth army commander, is reported to have said the Reds at present do not have much of an offensive capability left on the eastern front. He reports Red casualties are running at 20 to 1 in comparison with the Allies.

Meanwhile, the word war between the Communist and United Nations commands continues. Gen. Matthew B. Ridgway warned the enemy that the admission that an American plane accidentally machine-gunned the Kaesong area recently is "no indication the U.N. command will accept any trumped up Communist charge, no matter how loudly they protest." He referred to Communist charges of previous attacks which the Allies have denied.

**A WEAPONS TRAINING**—Some 12,000 soldiers from the home towns of the nation will get a close look soon at what an atomic explosion can do as they undergo training in the tactical use of atomic weapons. The training will be carried out in the Frenchman's Flat proving grounds near Las Vegas where the atomic energy commission set off several atomic explosions some weeks ago.

The maneuvers will be the first time army ground forces have received actual field training with the new "tactical" atomic weapons recently developed by the AEC. The weapons are believed to include guided missiles with atomic warheads and atomic artillery shells.

**PAY RAISE**—A pay raise of 10 per cent was approved by the senate last week for approximately 1,000,000 federal workers. The House must act on the bill and President Truman must sign it, however, before the money would be forthcoming.

The measure would increase federal employee wages on the average of \$307.53 a year, at an annual cost to the government of about \$340,000,000. It would grant raises to almost all federal workers except those in the post office department. Postal workers previously were voted increases ranging from \$400 to \$800 in a senate bill.

**NO RUSH BUYING**—Merchants in all sections of the country, from the home towns to the big towns, have noticed recently there is no buying rush as there was only a few months ago. Economists have come up with several reasons why rush buying has stopped, but the two main ones seem to be the increased cost of items and the consumer now is buying what he needs, not because he fears future shortages.

During part of 1950 and early 1951 the American consumer went on a buying spree because of predicted shortages. Many of the items purchased were on the installment plan and now the consumer is paying for them. The old fear of shortages no longer worries the consumer because he believes goods will be available.

And because of higher prices many consumers are saving for that rainy day, to pay off debts, and to buy things when prices are readjusted.

**TAFT PROSPECTS**—Sen. Robert Taft frankly admitted on his recent speaking tour through Minnesota, North Dakota and South Dakota was a prospecting trip which will have great bearing upon whether or not he will seek the 1952 Republican nomination for president.

"A lot of people say they want me to run, but I want to be sure of the amount of support I am going to have before I make any final decision," the Ohioan said.

**THE GENERAL**—The acceptance by President Truman of George C. Marshall's resignation as secretary of defense retires to private life a man who has held a unique place in American public life during the past decade, especially in the minds of people in the home towns of the country. Gen. Marshall inspired confidence in the American people as has no other military man in recent years.

After a long and honorable military career, Marshall shall rise to new heights as United States chief of staff in World War II. At the end of the war he retired, but was called back by President Truman to head a mission to China in an effort to end the civil war there. After that fruitless mission he was named secretary of state, during which the government launched the foreign-aid program that became known as the Marshall plan. He resigned that post in 1949. A year ago Truman called him from retirement to take the post of secretary of defense.

Senator Johnson of Texas very well summed up the opinion of the average American's regard for Marshall: "Long after the trivial carping of his detractors has been forgotten, the memory of George Marshall's services will stand as an inspiring monument to future defenders of freedom in the world. Because of his efforts, freedom has survived and will continue to survive."

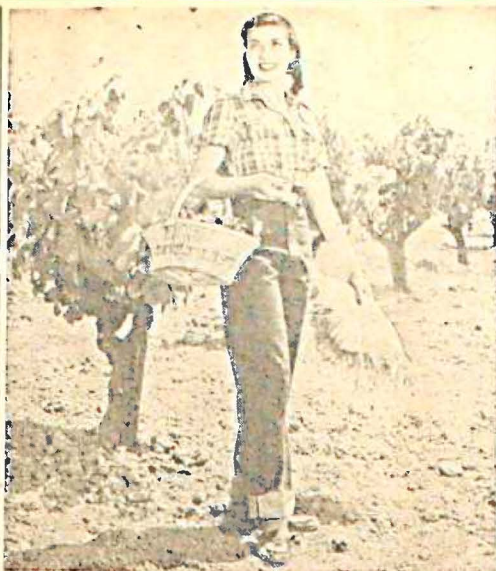

### FARM OUTLOOK

## Second Largest Farm Crop Is Expected

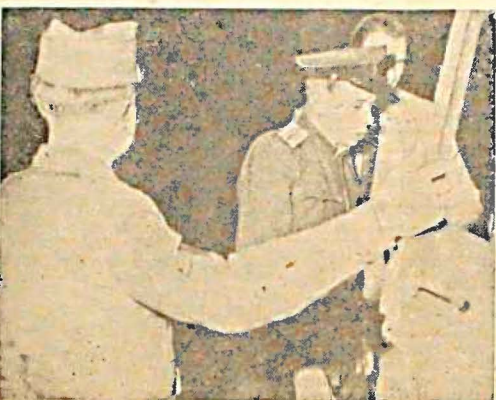

Despite unfavorable weather—drought in much of the south and southwest and excessive rain in the midwest—crop production in 1951 promises to be the second largest on record, according to the department of agriculture.

The department reported the volume of all crops was indicated at 133 per cent of the 1923-33 average compared with a record of 138 per

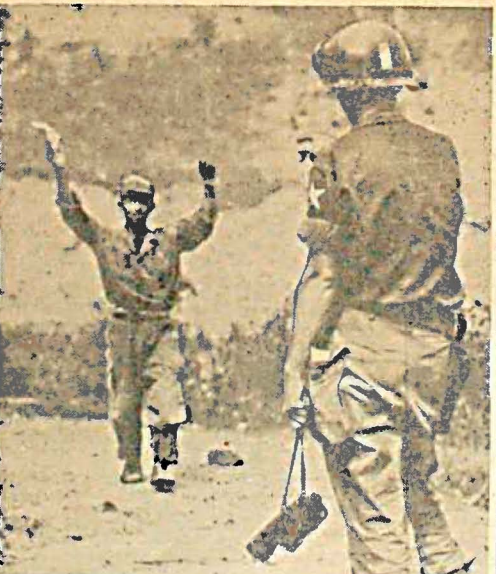

cent set in 1948. In another report, the department predicted livestock marketing will increase this fall to equal or pass the large volume of the fall of 1950. So far this year marketing of livestock has been running behind that of last year. Hog slaughtering is expected to levels of a year ago. As a result, prices may be considerably lower.

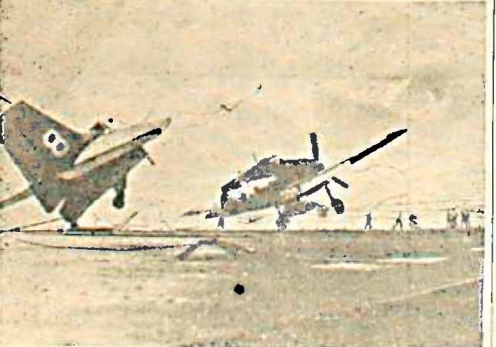

**WINE MISS**... The sun bright smile of Jeri Miller, reigning as 1951 vintage queen over national wine week, October 13-20, expresses the gay spirit of the vintage. Nature will transform her basket of grapes into the wines that Americans enjoy at their tables, products of the sun and rich soil.

**RUSSIAN HI-JINKS**... One of two Russian soldiers who stormed into the U.S. sector of Berlin, fired their pistols and knocked down a woman before seizure by American M.P.'s, manages with great effort to walk to the M.P. jeep. He is a senior lieutenant. The Russians drove a Soviet car and were apparently drunk. They claimed to be fleeing from the Soviet zone and claimed the bullet holes in their car were from guns of Russian border guards. Names were undisclosed.

**CAPTURE OF ENEMY SOLDIER IN KOREA**... An unidentified American officer (back to camera) directs a North Korean soldier who has surrendered following the battle of the Bloody Ridge recently. The surrendering Communist came into United Nations lines waving a white handkerchief and making gestures as for directions in giving up to the Americans. Apparently, just before his surrender, he was one of the soldiers defending the ridge so doggedly against U.N. attack.

**TWO-POINT LANDING**... Here is one of the most spectacular deck-crash pictures released by the U.S. navy. The unidentified pilot of this "Lucky" F4-F got a signal to cut throttle when he anticipated a wave-off from the landing signal officer from the USS Princeton, so he dove for the deck. The plane hit the deck at an angle and engaged an arresting wire so violently that it broke in half. The front end churned through three barriers before coming to rest.

**JORDAN KING**... Crown Prince Talal, eldest son of assassinated King Abdullah, took over the throne of the Hashimite kingdom of Jordan during ceremonies in Amman recently. Talal is shown here leaving Athens, Greece, en route to Amman.

**ARMY POST GAMBLER?**... Investigation has been ordered by Camp Edwards commander into charges Boston's gambling overlord, "Big Mike" Morello, has been permitted to operate wide open games with alleged 50-50 split basis on the army post.

**SECRETARY OF DEFENSE**... Robert Lovett, deputy secretary of defense, was named secretary of defense immediately after the chief executive reluctantly accepted the resignation of General George C. Marshall from the cabinet post.

**RITA AND FRIEND**... Rita Hayworth visits Hollywood nightclub with old friend, agent Charlie Feldman, after her return from Nevada where she filed suit for divorce from Prince Aly Khan. Divorce cannot be granted until 60 days after prince is notified.

**JERKILL-HYDE**... Gloria Organ, employed as a house detective by a Chicago department store, was taken into custody by police in connection with the kidnapping and robbing of a young mother of five children. She is the wife of a marine.

## THE WASHINGTON Merry-Go-Round

### Hope for Peace

I have come back from Europe with a new feeling of hope—more hope than I had on any previous trip to Europe.

The United States, in my opinion, is definitely winning the cold war. Furthermore, time is running out on the side. If it runs long enough, I believe, it may still be possible to accomplish the miracle and bring about permanent peace.

This may seem like a strange summation coming from a hard-boiled and sometimes cynical newspaperman. However, I am convinced it is accurate. Like most newspapermen, I sometimes get so close to problems that I can't see the trees for the leaves. This is likewise true sometimes of governments and of the public. We read the pessimistic headlines and we conclude that the world is in a helluva state.

To some extent, of course, it still is. But success does not make headlines, while tragedies do. When the train gets in on time you never read about it in the paper. If it's wrecked, on the other hand, it's all over the front pages. A wreck is a tragedy, and that's news. But while we have been reading about the diplomatic train wrecks in Europe, actually most of our trains have been coming in on time and the American people by their policies and their patience have built up a tremendous success story.

Three big things are happening today in Europe and in the world:

1. Eisenhower has accomplished miracles in welding a United European army.

2. Time—which is on our side—has given us a chance to make tremendous progress in perfecting new weapons. These weapons are so deadly and we are so far ahead of the Soviets that it becomes increasingly dangerous for them to make war.

3. The man in the street in Europe has been given new hope. This may be more important than either of the two other factors. For when men lack hope they turn to the phony promises of communism. Today, however, the Marshall Plan, plus various gestures from the American people such as democracy letters and the American Legion's tide of toys, plus the fact that a new European army is now camped alongside the iron curtain, has given the man in the street hope.

### A Bleak Christmas

Four years ago I spent Christmas in France and New Year's in Italy. It was the most depressing holiday season of my entire life. Paris was dark, the street lights barely flickering, candles were used part time in the hotels; there was almost no heat, food was scarce, and worst of all people had lost hope. Sometimes it seemed that they went through the routine of living merely because they had become accustomed to the habit of living.

Even the great cathedrals and palaces which had looked down on conquerors and revolutions looked gloomy and weary. Even they seemed to lack hope.

That was the crucial winter the Communists chose for their deadly strikes and riots to take over western Europe. A winter before we had adopted the Marshall Plan or begun to send postwar food. That was also the winter when the American people, usually ahead of their government, sent western Europe a token of encouragement through the friendship trains.

That was the winter of 1947. But this year it is so different!

### Plenty of Mistakes

This optimistic report does not mean that we have not made mistakes, or that the job is finished. We have made plenty of mistakes, and the two most important are:

1. We have failed to sell Europe on a United States of Europe. Here at home we have shown how 48 different states can apply the principle of federalization yet simultaneously live under a central government; yet in Europe we have failed completely to put this across. And this is the only long-term solution for Europe's economy.

2. We have failed to sell the Declaration of Independence in Europe. Though we live under the greatest political document known to man we have failed to get European governments to adopt the principle of "equality" of economic opportunity.

### Washington Pipeline

General Ike has told friends confidentially that he would run as a Democrat if Taft gets the GOP nomination. He regards Taft's fight-China-now policy as disastrous and his election as a "catastrophe." Willy Senator Brewster of Maine, Taft's chief strategist, has a plan to enlist Eisenhower. He would send Taft to Europe, stage a conference with Eisenhower, then announce that Taft would follow any European policy of the general.

## Butterfly Design

**2995** Crochet Slippers  
A HANDSOME pair of slippers that you can crochet in no time at all—and such fun to wear. Gay little butterflies in vibrant colors perch on the toes. Wonderful gift suggestion.

Pattern Envelope No. 2995 contains complete crocheting instructions, material requirements, stitch illustrations, and finishing directions. Sizes small, medium and large included.

**SEWING CIRCLE NEEDLEWORK**  
30 West Adams St., Chicago 6, Ill.  
Enclose \$2 in coin for each pattern. Add \$2 for 1st Class Mail if desired.

For Fine Cakes,  
Especially!

POUND for POUND,  
MORE people  
use MORE  
CLABBER  
GIRL than  
any other  
baking  
powder.

# ENRICHED BREAD

## Enrichment of White Bread With Vitamin B Started 10 Years Ago

Enriched white bread in the past ten years has resulted in the virtual wiping out of two deficiency diseases and has contributed materially to better health and increased vigor to the American people, according to statements from outstanding authorities in medical and nutritional science.

Bakers all over America this year are celebrating the decennial bread enrichment. It was in March, 1941, when the enrichment program got under way on a national scale.

White bread "enrichment" is simply the raising in bread of the content of the B vitamins—niacin, thiamin and riboflavin—and iron. These elements are produced in volume in the process of milling wheat into flour.

The two diseases which result from a lack of the B vitamins are called beriberi heart disease and pellagra. While the average person probably is not too familiar with either of these, they were not at all uncommon in the United States prior to 1941.

The B vitamins perform an important function in the body. They make it possible to eat an ample quantity of food but still suffer from malnutrition if B vitamins were not present in sufficient quantity to make the proteins, carbohydrates and other food properties adequately absorbed into the body. It was indications of this lack of proper nourishment which was causing considerable concern among doctors and nutritionists in the 1930's. The state of the nation's health was definitely not good and the fact was pointed up sharply when the draft started in 1940 and 1941. Thousands of young men were rejected for military service and

Families such as the one pictured above enjoy better health today, leading scientists declare, because the bread they consume has been enriched with vitamins and minerals.

the cause for some of the rejections could be traced to malnutrition. The discovery of how to make B vitamins by chemical combinations in 1936 made it possible to provide the people with the vitamins. The method of getting the vitamins to the mass of the people was another problem. Consultation between government health authorities and scientists brought about an approach to the flour millers and bakers.

These meetings culminated in agreement that bread was the natural place for the vitamins and the program was launched in 1941. The B vitamins belonged in bread, since they were present in the original whole grain. Bread is a universal food, appearing most frequently in most families. And bread is one of the least expensive of foods. These facts added up to the obvious conclusion that the best place to provide B vitamins was in bread. Enriched bread thus came into being.

TO THE AVERAGE consumer, enrichment has meant general betterment of physical well being, the scientists say. Studies among children reveal, in test cases, that youngsters who received B vitamins were more vigorous, more alert, less peevish, while those whose diets did not include B vitamins were listless, inclined to cry more readily and showed little inclination for play.

Changing living habits were major factors in making the enrichment program necessary. Around 1900, 95 per cent of all the bread consumed in America was made in the home. Today, 95 per cent is made by bakers.

Flour 50 years ago was not as fully refined as it is today and more of the nutritional elements of wheat were obtained in the daily diet. Better transportation and better methods of processing, shipping and handling food brought a greater variety to daily diet.

Each American used to eat more than 200 pounds of cereal products each year. Recently the average has been about 135 pounds. Two, the consumer insists on a white and light loaf of bread which means less of the B vitamins are present in the product reaching the consumer table.

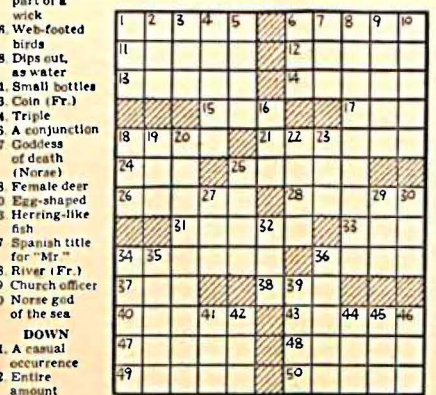

Health authorities who were more and more alarmed by the declining state of national health in the mid-30's made strenuous efforts to promote greater use of whole wheat bread, but with no noticeable results. The consumer still wanted white bread.

Today, a huge percentage of all white bread made by American bakers is enriched.

# THE FICTION CORNER

## BIG RED'S CURE

By Helen Longworth

THE reason my husband has been nicknamed Big Red is because he's over six feet tall, carrot-topped and peppery dispositioned. While painting our home and reaching far out from the top of the ladder Big Red fell. There were more people than the doctor and I to realize that my husband had broken his leg. He was howling mad!

Surprisingly, though, Big Red wasn't too bad a patient during his long hospitalization. Yes, leave it to him—he did a royal job, nothing simple and routine! His fracture required specialists, operations and enough paraphernalia around his bed to make it resemble Frankenstein's nightmare. That's my Big Red!

During those long months before he came home Big Red said that the thing he was most thankful for was that he was away from the Sanders, the Markhams, and the Keatings.

Perhaps in other neighborhoods there are more family's like these three. If so, I can sympathize with all who live neighbor to thoroughly nice but thoroughly tiresome folk. Take Mr. Sanders, for instance. He has gall stones. The way he describes the pain, the many medicines the doctors have tried to dissolve them is something to remember for days. When anyone suggests an operation, Mr. Sanders gasps, "Oh, no!" You wonder if one would rob him of his only conversational topic!

Little Mrs. Markham is sweet and lovely. She seems so—until she men-

"If this cure doesn't work," Big Red agreed, "I could always do a repeat."

lions she didn't sleep last night, the night before and for weeks has heard the clock strike every hour! She's tried counting sheep, hot milk and drugs. Nothing helps.

Then there's Mr. Keating. He's next in size to Big Red. His wife is an allergy. When his and his wife come in maybe it's the new davenport pillow that he stares at like it came from Mars. He's spent hours receiving painful shots and telling about them.

WHEN Big Red finally came home and was established in bed he told me to ask the Sanders, Markhams and the Keatings' all to visit. Those bodes—and all at once. Wandering in complex broken legs could upset a man, mentally. I argued gently. Big Red roared so I asked the three couples over.

It must have been the first time anyone had dared having the three chronic complainers under one roof. How the conversation flew! "My painful gall stones" was interrupted with, "—not a good night's sleep for three years!" Then Mr. Keating pounced on one of Big Red's fluffy blankets and gave us a run down on awful allergies. I looked at my husband. He was smiling!

Then he began! With a voice that could make a general stand at attention, Big Red described the trouble he'd undergone. He reeled off treatments, doctors, specialists, traction affairs, the silver plates that had been applied to his leg bone during the operations, the pain, the sleeplessness, the discomfort, the way the doctors had been perplexed, hundreds of shots! It was terrific. I think my mouth flew open and I forgot to shut it.

When our company looked at each other in extreme boredom and wigged attentively, feeling experimentally as though they were wondering how soon they could gently leave, Big Red winked at me! He took a deep breath—and began again on the horrors of his case.

Out on the porch, with Big Red's voice just a muted roar our guests expressed their sympathy. "Such a one track mind!" said Mr. Keating. "Don't you get tired of hearing him talk about pain?" asked Mr. Sanders who never tires of hush. I stepped inside, closed the door on their pity. Then I went to Big Red. . . . We giggled, we roared with laughter. Big Red's bed shook. "I can't wait 'til we see them . . . next time," I told him, finally. "If this cure doesn't work," Big Red agreed, "I could always do a repeat!"

Somewhat, though—I'm sure there will be no need!

# HOUSEHOLD MEMOS... by Lynn Chambers

Team Almonds with Coconut for these Delectable Bars (See Recipe Below)

## Tempting Cookies

THERE'S ALWAYS a place on menus, lunch boxes and cookie snack jars for delectable cookies. Now that school has started, you'll have to keep the cookie jar well filled again for cookies with fruit are a favorite dessert for the "carried lunch."

You'll want some for after-school snacks, for easy dinner desserts that can be made well in advance, and for entertaining.

ALMOND COCONUT BARS are a delightful chewy type of bar, and they make a perfect mate for ice cream and custard desserts.

\*Almond Coconut Bars (Makes 24 1 1/2 x 1 1/2 inch bars)

Bottom layer:

- 1 cup sifted all-purpose flour
- 1/2 cup brown sugar (packed)
- 1/2 cup butter or substitute

Top layer:

- 1/2 cup roasted, unblanched almonds
- 2 eggs
- 1 cup brown sugar (packed)
- 1/2 cup sifted all-purpose flour
- 1/2 teaspoon baking powder
- 1/2 teaspoon salt
- 1 cup shredded coconut
- 1/2 cup thoroughly drained crushed pineapple

Bottom layer: Blend flour, brown sugar and butter together thoroughly. Pack in bottom of greased 8-inch square pan. Bake in a moderate (350° F.) oven for 10 minutes.

Top layer: Chop almonds. Beat eggs well. Gradually beat in brown sugar. Sift flour, baking powder and salt. Stir into egg-sugar mixture. Blend in coconut, pineapple and almonds. Spoon over baked layer. Bake in a moderate (350° F.) oven 25 to 30 minutes longer. Cut into bars while slightly warm.

YOU'LL ENJOY this Orange Cookie which takes its flavor from brown sugar, fresh orange juice and rind. The cookies may be iced singly, or they may be put together with icing in-between, sandwich fashion.

Orange Cookies (Makes 30 2 1/2 inch cookies)

- 1/2 cup light brown sugar
- 1/2 cup shortening (part butter)
- 1 egg
- 1 teaspoon grated orange rind
- 1/2 cup orange juice
- 1 1/2 cups all-purpose flour
- 1/2 teaspoon soda
- 1/2 teaspoon baking powder

Cream together shortening and sugar. Add egg and beat until mixture is light and fluffy. Add orange rind and juices. Sift flour, measure and add with soda and baking powder. Stir flour mixture into sugar mixture stirring gently until it just forms a soft, smooth dough. Drop by teaspoonfuls onto a greased cookie sheet and bake in a moderate (350° F.) oven for about 7 minutes or until done. Ice cookies or put two together, sandwich fashion with:

Orange Icing

Place in top part of double boiler 2 cups confectioners' sugar, 1/2 cup orange juice, 1 tablespoon melted butter and 1/2 teaspoon grated orange rind. Cook over hot water for 10 minutes. Beat icing until cool and of easy spreading consistency.

LYNN SAYS:

Serve Tempting Dishes For Cool Weather

Try a hot creamed beef hash sandwich for a hearty snack. It's easily prepared by heating the hash in a skillet with sweet pickle relish, salt and grated onion for seasoning. Spread on toast, top with a tomato slice and another piece of toast.

Curried chicken soup starts any meal off right. Simply add one teaspoon of curry powder to diluted canned chicken soup. Sprinkle with parsley before serving.

## LYNN CHAMBERS' MENU

Lamb Stew with Parsley Dumplings

Carrots Green Beans

Lettuce with French Dressing

Oatmeal Muffins Marmalade

Canned Cling Peaches

\*Almond Coconut Bars Beverage

\*Recipe Given

Butterscotch Cookies (Makes 5 dozen cookies)

- 1 cup shortening (part butter)
- 1 1/2 cups brown sugar (firmly packed)
- 2 eggs
- 3/4 cups sifted cake flour
- 2 teaspoons baking powder
- 1/2 teaspoon salt
- 1 cup broken oatmeal
- 1 1/2 teaspoons vanilla
- 1 teaspoon lemon juice

Cream together shortening, sugar, vanilla and lemon juice. Add eggs and beat until fluffy. Sift flour with baking powder and salt and add to creamed mixture. Add oatmeal before all flour is mixed. Blend to a smooth dough. Form into one or two rolls, 2 inches in diameter. Wrap in waxed paper and chill thoroughly. Slice thin, using a sharp knife and bake in a moderately hot (400° F.) oven for 8 to 10 minutes.

Frosted Black Walnut Cookies (Makes about 50 cookies)

- 1/2 cup shortening (part butter)
- 1/2 cup granulated sugar
- 1/2 cup brown sugar
- 1 egg
- 1/2 teaspoon vanilla
- 1/2 teaspoon salt
- 1 1/2 tablespoons water
- 1 1/2 cups sifted cake flour
- 1/2 teaspoon soda
- 1/2 cup chopped black walnut meats

Cream together the shortening and sugars. Add egg; beat until fluffy. Add vanilla, salt and water. Gently stir in flour which has been sifted with soda. Stir enough to make a smooth batter. Fold in nuts. Drop by small spoonfuls onto a greased baking sheet, well apart. Bake in a moderate (375° F.) oven for 8 to 10 minutes. Remove from pan as soon as baked. While still warm, frost with: 2 cups confectioners' sugar blended with 1 tablespoon melted butter, 3 to 4 tablespoons of top milk and 1 teaspoon vanilla.

Pecan Slices (Makes 40 1 1/2 inch bars)

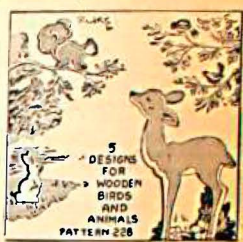

- 1 cup all-purpose flour
- 1/2 cup shortening (part butter)
- 2 eggs, beaten
- 1 1/2 cups brown sugar
- 1 cup chopped pecan meats
- 1/2 cup shredded coconut
- 2 tablespoons flour
- 1/2 teaspoon baking powder
- 1/2 teaspoon salt
- 1 teaspoon vanilla

Combine the 1 cup of flour with shortening and mix until creamy. Spread the mixture in a 9x12 inch pan, patting gently until mixture is smooth. Combine beaten eggs, brown sugar, coconut, nuts, flour, baking powder, salt and vanilla. Mix well and spread over mixture in pan. Bake in a moderate (350° F.) oven for 25 minutes.

Kidney beans are popular fare and can be used nicely for a hearty sandwich. Season canned kidney beans with chopped onion, catsup and Worcestershire sauce, then spread on split hamburger buns. Top with sliced tomato and strips of bacon; broil until bacon is crisp.

When menfolk want a snack, none of them will turn down this one: mash canned sardines with their oil, add chopped stuffed olives and enough chili sauce and mayonnaise to make the mixture spread easily on crackers.

# Wood Animal Pattern Is Easy to Follow

THE pattern gives actual size diagrams for each of the five designs in this nature group. Just trace the designs on outdoor plywood, cut out and paint in realistic colors by following the color chart shown on the pattern. Price of pattern is 25 cents. WORKSHOP PATTERN SERVICE, Dept. 18, Bedford Hills, New York

# No Excess

College Lad (arrested for speeding)—"But, Your Honor, I am a college boy!" Judge—"Ignorance doesn't excuse anybody!"

# Not So Easy Now

A young fellow, a clerk in a store, troubled by the cost of living, went in to ask his boss for a raise. The employer listened impatiently. Finally, he exclaimed: "Why, when I was your age I supported a family on what you're getting now!" "Yes," retorted the young man, "but they didn't have cash registers in those days."

# Speedy Long-Lasting relief for RHEUMATISM ACHES-PAINS

Don't "dose" yourself. Rub the aching part well with Musterole. Its great pain-relieving medication speeds fresh blood to the painful area, bringing amazing relief. If pain is intense—buy Extra Strong Musterole.

MUSTEROLE

POPS SO EASY AND TASTES SO GOOD

JOLLY TIME POP CORN

NO MORE CONSTIPATION

"THANKS TO ALL-BRAN!"

"Before I started to eat ALL-BRAN regularly, I had a great deal of trouble with constipation. Now—thanks to ALL-BRAN—I'm regular!" Mrs. HESSIE HAMILTON, 2212 Miller Street, Flint, Mich. Just one of many unsolicited letters from ALL-BRAN users. If you suffer from constipation due to lack of dietary bulk, try this: Eat an ounce (about 1/4 cup) of crispy Kellogg's ALL-BRAN daily, and drink plenty of water! If not completely satisfied after 10 days, return empty box to Kellogg's, Battle Creek, Mich. Get DOUBLE YOUR MONEY BACK!

"Hot Flashes" Stopped or strikingly relieved

In 63-80% of cases in doctors' tests

If you're miserable from the "hot flashes," and accompanying irritable, restless feelings of "change of life," you may be suffering unnecessarily! For... in tests by doctors... Lydia Pinkham's Compound and Tablets brought relief from such functionally caused suffering to 63 and 80% (respectively) of the women tested! Complete or striking relief!

Yes! Research has proved these modern thoroughly modern medicines work where others fail! Lydia Pinkham's Compound and Tablets, with added iron! (Wonderful, too, for the functional pains of menstrual periods.) It acts through a woman's sympathetic nervous system to relieve distress of these "hot water"!

## Warenskjold to Sing Wednesday

Dorothy Warenskjold, who will be presented as the first artist on the 1951-52 concert series of the Grossmont Community Concert Association next Wednesday at 8:15 p. m., at the Grossmont High School auditorium, used to be known as the "girl with the unpronounceable name," until her lovely soprano voice brought her into our homes via radio and television.

In 1948 she was signed by the San Francisco Opera Company to make her debut as Mosella in "Carmen." During that year she stepped into the role of Nanetta in Verdi's "Falstaff" when Lucia Albanese failed to arrive. Since she would bring something of interest to all Foot-hillers, a full house is expected. Admission is by membership card, only. Doors will be open at 7:30, footlights up at 8:15.

## Forward Club

"Going to Blazes in Our Homes" will be the subject of a talk by a representative of Lemon Grove Fire Department at the Forward Club meeting Friday, October 12, at 2 p. m. All ladies of the community who are interested are invited.

## CUB SCOUT NEWS

Cub Scout Pack 8 will have its annual Halloween party on Friday, October 19 at 8 p. m. at Community Center. More particulars next week. Cub Scouts are working on their annual turkey raffle for Saturday, November 16.

## Kiwanians Flock to San Diego

The Kiwanis Club of Lemon Grove will be represented at the 1951 convention of the California-Nevada-Hawaii Kiwanis District to be held Sunday through Wednesday at San Diego. President J. Morris Mulkey announced today.

C. I. Moyer, prominent Toluca, Kansas, attorney and trustee of Kiwanis International, will be featured on the speakers program during the four-day meeting.

Delegates from 255 clubs in the district, representing a membership of 15,450 business and professional leaders, will participate in the various sessions. Committee conferences, a discussion of plans for the

C. I. MOYER

coming year, and election of officers will highlight the convention program, Mulkey said. The presiding officer will be Frank C. Harmon, La Jolla, automobile dealer and governor of the California-Nevada-Hawaii Kiwanis District.

Mr. Moyer, who will serve as official representative of Kiwanis International at the convention, is also a tax administrator and former Kansas legislator. He is active as a farmer-stockman, and is a director of the Kansas State Livestock Association, and a member of the Kansas State 4-H Camp Development Committee. Delegates who will represent the Kiwanis Club of Lemon Grove at the meeting are J. Morris Mulkey, Luther Hussey, Dr. Geo. Brassington and alter-

nates Fred Wright, Channing Mason, Byron L. Netley, G. R. Graham.

## Camp Fire Girls

Mrs. Fletcher Carr and co-leader Mrs. Paul Humphrey had the first Blue Bird group to register and hold a meeting on Thursday afternoon at the Carr residence, 3210 Main at 3 p. m.

Another new group under leadership of Mrs. Kenneth Arnold and Mrs. Larry Stepler also meets on Thursday afternoons at the Arnold home.

Mrs. John Dale and co-leader Mrs. Howard Lane have their Blue Bird meeting on Monday afternoons. Another leader is needed to care for some of the girls in the afternoon.

All the Camp Fire Girls who were in Mrs. Roy Close's group last year will have a picnic Saturday at Eucalyptus Park. The Grossmont Council met on Monday night at the Roy Close residence. John Dale is the new finance chairman and Fletcher Carr is vice president. Reports on the summer camping were given by the district president Mrs. Don Diecy and Mrs. Margaret Sherwin, San Diego executive. Discussion and plans for the community chest campaign were made. Present were Mrs. Jack Hanna, president, District Guardians Association, Mr. and Mrs. John Dale, Mrs. Don Diecy, president, Mrs. R. Blackwell and Mrs. Bert Snyder, social chairman.

## GIRL SCOUT NEWS

Girl Scout Troop 361 met at the Lutheran Church Monday of last week and elected Nancy Bloom, president; Sharon Cassell, vice president; Deanne Malmstrom, secretary; Jean Bice, treasurer; Sue Ann McDonald, publicity. There were 17 present. Mary Brown is a new member.

## Mrs. Louis Nagy Heads W. M. U.

Mrs. Louis Nagy has been elected president of the Woman's Missionary Union of the First Baptist Church.

Others serving are Mrs. D. M. Bryant, first vice president; Mrs. Eddie Bolice, second vice president; Mrs. Chester Raichart, community missions; Mrs. J. D. Pinterich, recording secretary; Mrs. Glenn Roberts, corresponding secretary; Mrs. Lyle Higgins, stewardship chairman; Mrs. W. L. Satterwhite, circle; Mrs. Morris Mulkey, B. W. C. advisor; Mrs. Joe White, social; Mrs. Otis Morgan, W. M. U. Association president. Linda Vista, will install the group following a dinner at Rose Hedge Manor, Monday evening at 7 p. m.

## 4-H Club News

By PEGGY LESTER  
Publicity Chairman

Vista La Mesa's 4-H Club, the Sunshine Snappers, met Tuesday, at 1:30 p. m. at the home of the leader, Mrs. Lew Schickel. We reorganized for the coming year, and elected the following officers: Patsy Burke, president; Brenda Anderson, vice president; Sonja Frederichsen, secretary-treasurer; Peggy Lester, reporter; Sharon Fisher, historian; Barbara Johnson, song and yell leader. All the girls mentioned above have completed at least one year of club work, while some have completed two years.

Others present were Andrea McFarland, Janet Prior, Charlotte Burgeon and Judy Snider. Projects for the year are sewing and cooking. Last summer at the Del Mar County Fair our club won nine blue ribbons. Mrs. Margaret Lester is the co-leader.

## Senator Nixon

Continued from page 1  
lectivization ideal of communistic philosophy. In other words, books, not bullets.

Therefore, it seems proper that in addition to the military program of preparation for our immediate defense, (and most Americans support this as an essential expedient,) we must give equal weight to the educational aspects that are herein set forth. If this conclusion has the maturity I hope for, I think it would be appropriate to enumerate a few facts involved in the present situation.

"During World War II, new construction for school projects came to an absolute standstill. In the days subsequent to the end of that war, the country's school systems were able to make plans for their ordinary needs but, as you know, the present state of emergency placed an additional obstacle in the way of this progress. And to climax a situation already acute, the schools are feeling now the first impact of the high birth rate during the war years, and this group will increase in the next few years.

"In addition to the above, the problem has been accentuated by the creation of new defense plants in dispersed areas. The influx of the necessary defense workers and their families to these plants as well as to established industrial centers is

contributing in great degree to the critical need for additional schools.

Educational officials in the states are attempting to solve the problem temporarily by utilizing every space that can be made available. This includes meeting halls, basements of present schools, banquet rooms and so forth. They are attacking the shortage by maximum crowding of present facilities, half-day sessions and short school weeks. The effects which these conditions will have on the discipline, morale and training of this country's future leaders will be far reaching.

"In California alone, where the population has increased almost 50% from 1940 to 1950 and school enrollment 38%, there is a critical need now for 8,000 additional classrooms. According to the latest statistics, there are 262,192 children crowded in available classrooms, halls, cafeterias, churches, basements and store buildings. This is the situation in one state where half-session attendance is the rule and not the exception and triple sessions are in sight. This is true in spite of the absence of any need for additional state or Federal appropriations and where a program calling for \$100,000,000 worth of school construction is at a stalemate for lack of materials.

"In conclusion, I believe it most necessary that we take some immediate steps to solve the present dilemma. In this connection, as a representative from a state whose population increase is second to none, I would suggest that in the allocation of critical materials, such as steel and copper, the interests of the nation as a whole would be served best, by providing that the school construction program be given first consideration after the requirements of the defense program are fulfilled."

## Reviewing Sports

By ROGER CONLEE

### Lemon Grove School

From the Office of  
Supt. Byron L. Nelson

New manuals for the teaching of arithmetic in all grades, kindergarten through eighth, were received this week for the Lemon Grove School District, from the office of Supt. C. D. Hardesty of San Diego County. These supplements will be used with the regular California school texts, and have been prepared to the needs and problems expressed by teachers as the result of work with pupils.

The San Diego County Board of Education has approved the editions. In California, the responsibility for prescribing the course of study in elementary schools rests with these county boards. In June of last year the county board proposed that emphasis be given to the development of course of study materials. Arithmetic was agreed upon as the area for immediate and intensive study. The county curriculum planning committee did over-all planning and coordinating of the project, and it is hoped that the materials which were produced for these new teacher guides will contribute to better understanding of the problems in teaching and learning arithmetic.

A representative of the County office will visit with all teachers in the Lemon Grove District, during grade-level meetings, to explain and discuss the manual.

### P. E. Schedule for Jr. Hi Boys

Coaches A. Peterson and T. Brogan have announced the tentative schedule for physical education activities for boys in the seventh and eighth grades for the first semester. The present touch football program will end November 2, and will be followed by basketball during the remainder of that month. Volleyball is slated for the first three weeks of December. Classes will resume basketball play following the holidays until the end of the semester in January.

Intramural playoffs are scheduled for each sport, and the results of these games will be announced.

### Class Officers

Class officers of the Junior High were elected this week in the following classes: Mr. Peterson's 7-1 class—Richard speaks; Sharon Green, vice president; Sandra Williams, secretary.

Mr. Van Zanten's 7-4 group—Claire Tatnen and Donald Jourden, co-chairmen; Louise Roberson, secretary; Everett Oliver, soccer and speedball.

class librarian.

Mr. Van Zanten's 7-5 class—Phyllis Western and Wilford Rugley, co-chairmen; Beverly Svalstad, secretary; Gary Whalen, librarian.

New representatives to Student Council are Jill Sonka and Duane Cox, 7-1; Donna Berger and William Elkins, 7-4; Kay Nevis and Barney Tumey, 7-5.

### School Patrol to Show

School Safety Patrol members of the Lemon Grove Elementary School will be guests of John van Gilse at the Grove Theatre at Saturday matinee; Steven Foster, John Cornelius, Robert Thompson, Robert Ellis, Howard Pendergrass, Lorenzo Alvarez, Vernon Mayes, Robert Luna, Mike Sauder; also Walter Dingle and Chris Avery, school play ground safeties.

### Vista La Mesa School

The students in Mrs. Cornelius' fifth grade class are enjoying a library reading contest. Each has a replica of an early American train, curved along a paper track. For each three books read, the engineer adds a car to the train. Barbara Thomas, assisted by Alan Seeman, will act as librarian during the contest. Bonnie Bisbee helped design the trains.

Morning first grade students are studying the school, about which stories have been written and many pictures of the building sketched by the 22 girls and 14 boys.

The class wishes a speedy recovery to Tommy Cooper who is absent from class because of a broken leg.

The morning third grade class, Mrs. Tait's group, is learning about seashore life. They will study San Diego Harbor and industries located near it. Everyone misses Mary Martin who recently transferred to the Lemon Grove School.

Two meetings have been held this fall by the second year Prescott Child Study Group. Mrs. Emma Tait, leader, states that the second year work promises to be even more interesting to teachers than that of the first year. Mrs. Tait spent 10 days during August at a Campo workshop sponsored by the County Schools office to acquaint herself with the Prescott Study Program for second year work.

The following schedule for the girls' physical education program in the seventh and eighth grades has been released: Miss Donna Dreyer, director of girls' P. E. classes; September through November 11, basketball; November 11 to 21, football; November 21 to the end of the semester in January, soccer and speedball.

### Spirited Helix Eleven Eyes Hoover Upset

The spirited Helix Highlanders have been hard at practice drills this week in preparation for their City Prep League opener Friday night at 8:00 in Aztec Bowl against the powerful Hoover Cardinals.

The underdog Highlanders stand considerable chance of upsetting the Hooverites, as they did last Saturday against St. Augustine. The Highlanders pulled a 19-13 upset on the Saints before 3500 high school grid fans in Hoover Stadium.

Faced by Don Berry, who scored the first two touchdowns, Karl Jordan, Jody Crane, and Jerry Hurst, the local prep outfit showed unusual spark and drive. The Highlanders struck first, scoring 19 points in the first quarter, then went on a strong defensive, holding the favored Saints to two touchdowns the rest of the game.

Coach Ken Maynard has had his scrappy Helix team working very hard in practice this week, to condition the boys for the hoop opener with Bob Kirchhoff's Cardinals.

The Green and Silver Junior Varsity and Freshman-Sophomore squads swing into action this week under Coach Glenn Otterson. They are inexperienced but have shown well in the long hours of practice and it is a factor that will help them in the tough season ahead. Helix-Saints summary:

|               |      |               |

Helix High News

At the Freshman Talent Assembly recently at Helix High School the Helix Highlanders heard the first Helix bagpip band. The four members were dressed in traditional Scottish kilts, and played bagpipes and snare drums. Two of the players were Helix Students, Jol Floyd and Gordon Boyce, the others were professional musicians. This same group played for the Starlight Opera performances of Brigadoon at all-student bagpip band is now being organized by John Floyd and Gordon Boyce. Many students have already shown great interest in taking advantage of the offer of free lessons.

Helix High has selected its staff for the new annual called The Tartan: Marjorie Earle and Tom Hernandez, co-editors; Carol Shaw and Barbara Hunt, art editors; Dan Rasp, Mary Benson and Jimmy Phillips, photography; Ada Lynn Epit and Betty Jo Graves, business; Lona Starr and Betty Vance, snapshots; Pat Johnson, senior class pictures; Chuck Harter and John Potts, sports; Joyce Wood and Carol Korns, activities; Faustine Cullins, clubs; Marilyn Harkey and Barbara Renke, class pictures.

If you want to sell anything, put a price on it, call Homeland 6-1168 and run a Want Ad in The Review.

## SEWING CIRCLE PATTERN

### Neat Outfit for Mom Pretty Skirt Thrifty

Plans for the music program in the Lemon Grove Schools were discussed on Monday evening, when the Music Parents Club met at the Community Center. Approximately 30 mothers and fathers attended this initial meeting of the group for the current school year. Mr. and Mrs. C. F. Baxter presided as co-presidents.

Paul Cheatham, director of instrumental music, spoke to parents about the benefits of music to students in the schools and the effectiveness of the new music schedule which has been adopted. He urged mothers and fathers to encourage their children to participate fully in the wide program being offered. This includes band, orchestra, ensembles, vocal groups, and pom-pom and baton corps. The newly organized pom

## AROUND THE HOUSE

**Lining Cake Pan**  
To line the bottom of a cake pan quickly fit waxed paper into the pan, and cut around bottom circle with a razor blade. You'll get a neat-fitting liner.

**Tossed Salad**  
Foods and nutrition specialists advise against adding salt or dressing until you're ready to serve a tossed salad. They draw the liquid from foods.

**Dish Towels**  
Cotton crepe makes inexpensive dish towels. The housemaker doesn't need to iron them and they leave no lint on the dishes, according to Michigan State College specialists.

**Tired Feet**  
Your feet will not get so tired from an ironing job if you stand on a throw rug folded into several thicknesses.

**Woven Fabrics**  
Closely woven fabrics are best for slip covers because they give greater protection against dust, hold their shape better, wear longer and tailor more easily than do loosely woven materials.

**Fresh Fruit**  
Fresh fruits should be stored in a cool, dry place. Berries should be spread carefully on trays and sorted, but not washed until prepared for the table.

**Remove Grease**  
To remove a grease spot caused by hair rubbing against the wall

**Too Free!**  
The hard-boiled customer shook her head. "I don't like new shoes," she told the salesman. "The soles are too thick." "Is that the only objection you have?" asked the salesman. She nodded. "Then, madam," he added, "if you take the shoes I can assure you that the objection will gradually wear away."

**Oops!**  
A clerk in a miscellaneous store was serving a caller. The manager was at a desk some distance away but he overheard the clerk say: "No, madam, we haven't had any for a long time."

"Oh, yes, we have," interrupted the manager; "I will send to the warehouse immediately and have some brought for you."

The lady went out laughing. The manager turned to the clerk: "Never refuse anything; always send out for it."

"Well, you see," replied the clerk, "she said to me, 'We haven't had any rain lately.'"

**Pardon My French**  
"Oh Marie, je t'adore."  
"Shut it yourself. You opened it."

### Community Center

Continued from page 1

stated that the County is planning a building in Lemon Grove to house the Branch Library and for several other functions, such as the Sheriff's office.

Several charts were shown by Mr. Miller to depict the planning that has been done by the County. These charts were left in the care of director Ted Haaf. The Chamber president appointed a committee composed of director Harry Monell, representing the Kiwanis Club, Mrs. Irving Vernier, president of Forward Club, and Grant Hadley, president of Lions Club, who were directed to meet at once to discuss means of distributing these charts to the organizations of the community. Any group interested in studying the charts should contact Mr. Haaf or Mr. Monell.

Mr. Miller mentioned that within the next few months the Planning Commission hopes to have a revised version of the County building ordinance inasmuch as the present one is

nearly 20 years old and has been amended from 160 to 170 times. In regard to the recent request of the Chamber for notification of variance requests, Mr. Miller advised the Board that the County Counsel had ruled that the Planning Commission had no legal authority to so advise various organizations. Public notices of hearings for re-zoning are carried in the local papers, he said. After discussing several local zoning problems, the directors agreed that the attention of the Board of Supervisors should be called to the present wording of the building code to see if some remedial revision is desirable with regard to "accessory" buildings, the definition of same, and the desirability of moving such structures onto lots in residential zones.

New members of the Chamber, reported by Luther Hussey, membership committee chairman, were H. D. Carr, of Carr's Hardware, Raynold Fenstermacher, of the Sugar Plum, and Arthur Berry, of the Firestone Store.

The resignation of director Charles Montgomery was accepted with regrets and the Board expressed their appreciation to Mr. Montgomery for his services. Naming a new director was postponed until the November meeting. President Baxter introduced Lorin W. Deewall, county planning engineer. Mr. Dunn of the Planning Commission office, and Mrs. Irving Vernier, president of the Forward Club.

### Time Schedule

for Grossmont Hospital  
Mid-October—First hearing before Board of Supervisors (Validity of signatures.) Petition advertised.

Mid-November—Second hearing before Board of Supervisors. Election called during 60 day period following.  
Appointment of Board of Directors for the Hospital District before February 1.

### USE "DATES CLAIMED"

The "Dates Claimed" at the bottom of page 1 is for the benefit of organizations having special events, which they wish to announce. If all will co-operate in listing dates, it will save one date conflicting with another.

### October is Air Parcel Post Month

Chairman James Robbins of the Board of Supervisors, has proclaimed October as Air Parcel Post Month in San Diego County. Postmaster William E. Krenning of San Diego stated that during the month postal employees throughout the County will bring to the attention of patrons the advantages of using air parcel post.

"All commercial airlines operating out of San Diego," said the Postmaster, "carry air parcel post and air mail. Both get the same preferred handling. There have been no noticeable cut-backs in air parcel post service, in spite of the fact that the airlines have turned a number of cargo planes over to the government to help the defense effort."

Krenning added that air parcel post is currently of real importance to relatives of servicemen, in that parcels can be mailed to domestic or international destinations with speed, safety, and a minimum of handling.

Postmaster F. R. Faucher says that the Lemon Grove office is prepared to advise patrons relative to mailing and other services.
